

SALMON ORCA PROJECT SOCIAL MEDIA GRAPHIC DESIGN

THANK YOU

Thank you Senator Murray and Governor Inslee for listening to tribal voices about the urgent need to protect precious salmon from extinction. We know that restoring the lower Snake River can be done in a way that not only addresses affected sectors but also ensures a better future for the Northwest.

LET THE LOWER SNAKE RIVER FLOW.

RESPECT, RECOGNIZE, & ACCEPT THE VIEWPOINT OF OUR REGION'S FIRST PEOPLES.

"I CAN'T IMAGINE A LIFE
WITHOUT SALMON
AND IF YOU CAN'T EITHER
IT IS TIME TO REMOVE
THE DAMS"

SOME OF THE LOWER SNAKE RIVER DAMS COULD COST MILLIONS TO BRING UP TO MODERN STANDARDS.

Instead, let's breach them and invest that money into other renewables that would diversify our energy supply and boost our local economy!

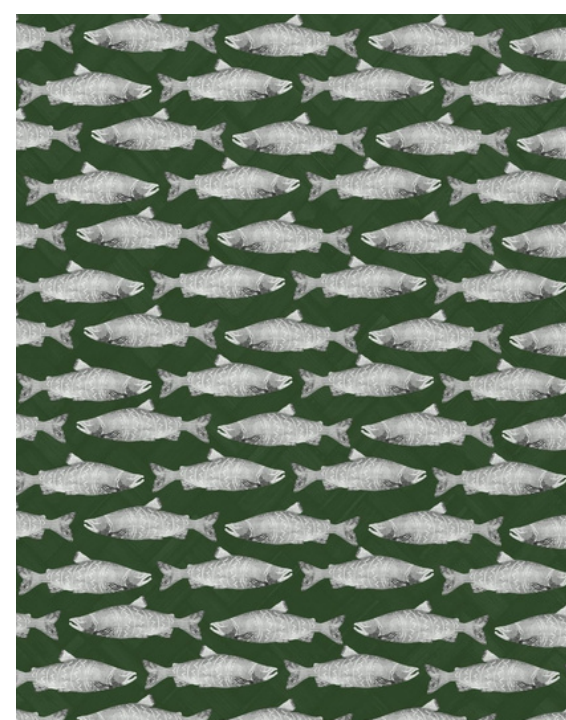

OUR CHOICES DEFINE WHO WE ARE.
